

## HARMAN KARDON PREMIUM SOUND SYSTEM. THE PERFECT SOUND EXPERIENCE FOR YOUR MINI.

Experience the perfect symbiosis of MINI and Harman Kardon: the manufacturer of premium sound products is the audio partner for all MINI models. All products feature excellent sound quality, clean and modern design, and top-quality materials. Harman Kardon aims to reproduce sound as recorded by the artist, for a true concert atmosphere in your MINI. A premium experience for your eyes and ears.

### KEY FACTS AT A GLANCE.

- ✓ Total performance: 360 watts (standard system: max. 160 watts)
- ✓ 12 high performance speakers (standard system: 6 speakers)
- ✓ Expanded sound staging through an additional center speaker
- ✓ Class-D DSP amplifier in the trunk
- ✓ Wide angle coverage reaching all important areas in the vehicle interior
- ✓ Separation of frequency bands ensures authentic music reproduction

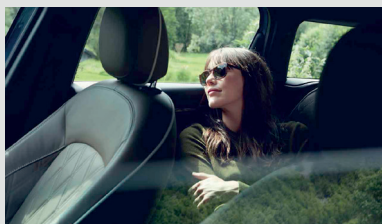

### STATEMENT.

Harman Kardon products meet the highest quality standards and sound demands. Regardless of whether you are driving short distances to get from the city to the countryside, or whether you are taking a longer road trip, perfect sound makes driving a MINI even more enjoyable.

### CUSTOM-MADE.

All of the sound system's components are specifically designed for each MINI model and precisely matched and tuned to the interior accordingly. Every detail is uncompromising in its design which reflects premium sound quality. Crystal clear high notes, balanced mid-tones, and a rich, punchy bass ensure that every song is reproduced as authentically as possible.

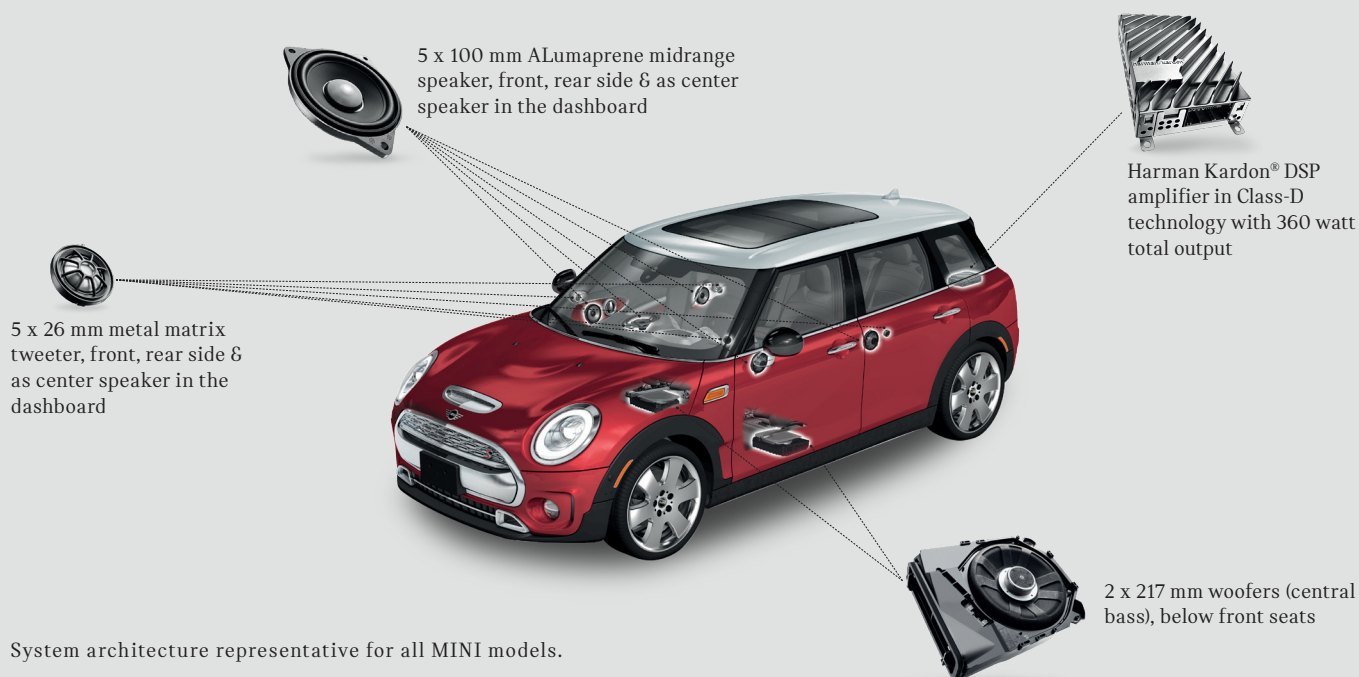

### FREEDOM.

Driving a MINI is a conscious decision; the same applies to Harman Kardon sound. Where, if not in a car, can you choose the music that best suits your personal taste? Harman Kardon turns your MINI into a personal comfort zone that gives you even more freedom.
